Architectural floor plan of the first floor of the 'Casa delle Scienze' building. The plan shows a central corridor (Vestibolo) with stairs (Scale) and a large hall (Aula). To the left is a large room (Aula) with a stage (Pulvinare). To the right is a large room (Aula) with a stage (Pulvinare). The plan is labeled 'Sala 1:100' and 'CASA DELLE SCIENZE'.

Diagramma di dettaglio della sezione trasversale di un'opera di difesa delle spiagge. La struttura è composta da un'ossatura in cemento armato con pilastri e travi, ricoperta da un pannello in polistirolo espanso (PS) e protetta da una rete di protezione. La base è costituita da sabbia e ghiaia. Le dimensioni indicate sono: larghezza totale di 80 cm, altezza di 10 cm per la parte superiore e 10 cm per la parte inferiore, e spessore del pannello PS di 10 cm. La sezione trasversale è indicata come "Profilo tipo (h=10 cm)".
